For those students looking to transfer to another institution, Iqbal Khan and Kieh Wong have been working on credit transfer recognition and articulation agreements with universities.

The following is a list of MTH credits recognized by universities.

This list was received on January 21, 2008.

For an updated list of transfer credits for Centennial's mathematics courses, please contact Professor Kieh Wong.

Credential Transfer Recognition

Mathematics courses in the Computer and Communication Networking (CCN) and Software Systems (SSD) Degree Programs at Centennial College.
